

*****MicrotexElectronicsCoupon*****

END-USER ONLY. Buy any Microtex Optical probe now until Dec 31st, 2007 and trade in your old optical probe and we'll give you \$50 off the total purchase price of a new Fastreader Optical Probe. You may trade in any make, any model, any quantity for replacement, in any condition.

Our battery saver optical probes are Zero Power, and they derive their power completely from the computer's host port to save battery life.

Also get a 1-year warranty.
